

Re: VENDOR APPROVAL

To whom it may concern:

The bearer of this letter represents a participant in the **Utah Carson Smith Opportunity Scholarship** program. This program allows scholarship students in kindergarten through 12th grade to use funds to further their education. The State Legislature requires that scholarship funds be spent at approved vendors.

We'd like to invite your organization to become an **approved vendor** on behalf of this child and over 1,400 other children in our program.

Registering as a vendor is **free** and should only take about 5 minutes. To apply, please complete a vendor application by visiting our website at <https://cfe-fund.org/vendors/>. You will be required to upload a copy of your W-9 Form as part of the application. Once your application is approved, your organization will be added to our list of approved vendors, which is publicly accessible to other families. This can be a valuable way to increase awareness of your organization, while helping hundreds of children further their education.

If you have any questions, please feel free to contact me at the phone number or email listed below. Thank you for your support in furthering the education of our scholarship students

Sincerely,

A handwritten signature in blue ink, appearing to read "RD", is written over a light blue circular stamp.
